*Best 4 results to count

Each team's placing in the FEI Jumping Nations Cup™ Youth competition and the points obtained are indicated in the table above. Teams may earn points at all Events but only their four best results will count towards the standings.

Points may only be obtained by eligible teams in their own Region and are distributed according to each team's classification in the FEI Jumping Nations Cup™ Youth Competition according to the following scale:

1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	10 th	11 th - →
100	90	80	70	60	55	50	45	40	35	30

In case teams are placed equal with any other team during any of the FEI Jumping Nations Cup™ Youth Competitions, the points for the places in question are added and divided equally among the teams concerned, team(s) thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from 0.004.

In case of a tie for any place on the overall Regional standings, teams are separated by:

- giving preference to the team with the greater number of first place classifications; in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place at the conclusion of the last Event of the season, preference will be given to:

- the team with the greater number of clear rounds among the scores counting (i.e. maximum 3 scores per round per team) from each Competition throughout the season; if there is still a tie the scores counting (i.e. maximum 3 scores per round per team) for each team from each competition will be added together and preference will be given to the team with the lowest overall score.
